Licensing & SMP is on a per company basis and based on the number of "active" employees as read from the QuickBooks Pro ERP employee table. If an employee is terminated or set to "inactive", their seat becomes available for assignment to an "active" employee. We recommend having a few additional seats available if you anticipate an increase in the number of users. List price includes a Subscription Plan List Price (SLP) for 1 year, which covers all software updates & bug fixes.

Purchase of Additional Users

After the initial purchase, additional users may only be purchased in increments of five.

Additional Labor Cost

Note: NRT Business Solutions, Inc. is the sole distributor of the NRT Product Suite and, as such, will be the billing company.
